

Standard Warranty

Our Best Standard Warranty Protection

Our air conditioners and heat pumps feature our most comprehensive limited warranty coverage of any on the market. Our most efficient air conditioning and heat pump units offer Lifetime Limited Warranty* protection for the compressor to the original, registered*, single-family, homeowner of a properly matched system. Additionally, our most efficient furnace units offer a Lifetime Limited Warranty* protection on the heat exchanger to the original, registered*, single-family homeowner of a properly matched system. If the original owner should have a compressor failure, we will replace the air failed unit with a comparable **Amana**® brand product at no cost.

Providing outstanding standard warranty coverage is just one way of continuing the **Amana** brand's 70+-year promise to homeowners to build a product that Lasts and Lasts and Lasts®.

Full details on any warranty are available from your local **Amana** brand dealer or on each product web page. To view the warranty certificate for a specific product, click on that product's page, and then click on the warranty link in the grey bar under the product image.

* Complete warranty details are available from your local **Amana** brand dealer or on each product page of this website. To receive the Lifetime Limited Warranty, online registration is required within 60 days of installation. Online registration is not required in California and Quebec.
